Subject and Author Index

Volume Three ■ January—December 1973

Subject Index

Abstracts (see p.81)

Acne
- treatment of, Aug., 29
- vitamin A for (Q&A), Mar., 120

Adverse reactions
- diazepam-induced hepatitis (Q&A), Sept., 88
- drug-induced ejaculatory inhibition (Q&A), Nov., 109
- drug-induced liver damage, Mar., 90
- FDA's reporting program for, Nov., 31
- hematologic effects of anticonvulsant drugs (Q&A), July, 27
- incidence of encephalitis after DPT immunization (Q&A), July, 52
- life-threatening drug eruptions, Dec., 31
- lincomycin ototoxicity (Q&A), Nov., 115
- lithium teratogenicity (Q&A), Nov., 114
- psychiatric, due to drugs, Oct., 31
- skin rash from coumadin (Q&A), Aug., 24

Aerosol therapy
- for obstructive airway disease, Feb., 69

Alcoholism
- management of, July, 57

Analgesia
- for trigeminal neuralgia (Q&A), Sept., 82

Angina pectoris
- stable, management of, Sept., 91

Anorexiant drugs
- and diet in management of obesity, Mar., 32
- chorionic gonadotropin (Q&A), Apr., 102

Antibiotics
- duration of treatment with (Q&A), Oct., 73
- topical, in wound irrigation (Q&A), May, 40

Anticonvulsants
- adverse hematologic effects of, July, 27

Antidepressants
- tricyclic, contraindications to use of (Q&A), Oct., 72

Antidotes
- for drug overdosage (Q&A), Feb., 54

Antipyretics
- alternatives to aspirin (Q&A), May, 37

Antiserotonins
- new, sources of (Q&A), Aug., 24

Anxiety
- propranolol for (Q&A), Dec., 23

Asthma, chronic bronchitis, and emphysema
bronchodilator treatment of, Feb., 69

BCG
for cancer (Q&A), Apr., 104

Bioavailability
and generic prescribing, Sept., 22

Botulism
treatment of (Q&A), Apr., 100

Brand name drugs
vs. generics, Sept., 22

Bronchodilators
for obstructive airway disease, Feb., 69

Burns
therapy of, Jan., 51

Cancer
BCG for (Q&A), Apr., 104
drug therapy of Hodgkin's disease, June, 35
drug therapy of hypercalcemia in, Jan., 19
infections in patients with, Dec., 42
of the colon and rectum, drug therapy for, Mar., 102

Cardiovascular disease
paroxysmal tachycardia (Q&A), Oct., 73
response of the coronary artery circulation to vasodilators, Feb., 88
vitamin E in, Nov., 101

Chorionic gonadotropin
as anorexiant (Q&A), Apr., 102

Cisclomiphene
for infertility (Q&A), June, 55

Contraceptive agents
hormone-impregnated intravaginal contraceptive devices (Q&A), Jan., 69
oral, and folic acid deficiency (Q&A), Aug., 25
oral, and hyperbilirubinemia (Q&A), Dec. 22
oral, and hypertension (Q&A), Jan., 73
oral, in Raynaud's syndrome (Q&A), Oct., 72
oral, vitamin supplements for women taking (Q&A), Nov., 110

Corticosteroids
for keloids (Q&A), May, 40
in treatment of nephrotic syndrome, Nov., 39

Coumadin
skin rash from (Q&A), Aug., 24

Cyproheptadine
and weight gain (Q&A), Apr., 102

Depression
in epileptics, treatment of (Q&A), Oct., 71

Diabetes mellitus
juvenile, management of, Apr., 85

Diarrheal diseases
in children, therapy of, June, 77

Diet
and drugs in management of obesity, Mar., 32

Dimethyl sulfoxide (DMSO)
present status of (Q&A), July, 52

Diphenylhydantoin
and visceral atony (Q&A), Apr., 101

Drug interactions
antagonism between Dilantin, Tapazole, and thyroid hormone (Q&A), Aug., 23
drugs potentiating hypoglycemic crisis (Q&A), Apr., 104
erythromycin-warfarin (Q&A), Nov., 114
multiple drugs (Q&A), Sept., 81

Drug interactions (Department)
(see p. 82)

Drug eruptions
life-threatening, Dec., 31

Drug overdosage
antidotes for (Q&A), Feb., 54

Ear and nose
treating common disorders of, Feb., 35

Encephalitis
after DPT immunization (Q&A), July, 52

Erythromelalgia
treatment for (Q&A), Oct., 70

Estrogen therapy
for hemorrhage (Q&A), Oct., 71

Eye
bacterial infections of, diagnosis and therapy, Nov., 90
viral and fungal infections of, diagnosis and therapy, Dec., 56

FDA
adverse drug reaction reporting program, Nov., 31

5-Fluorouracil
oral administration of (Q&A), June, 57

Generic drugs
vs. brand names, Sept., 22
vs. brand names (Guest Editorial), Sept., 8

Glaucoma
and hypertension (Q&A), Sept., 82

Gout
treating acute attacks of (Q&A), Mar., 114

Hair
excessive growth of in women, Nov., 39
thinning, formula for control of (Q&A), Sept., 87

Headaches
in children, office management of, Jan., 78

Hematologic effects
adverse, of anticonvulsant drugs, July, 27

Hepatitis
diazepam-induced (Q&A), Sept., 88

Hepatotoxicity
prevention and care of, Mar., 90

Herpes zoster
treating neuralgia in (Q&A), Oct., 71

Hirsutism
management of, Nov., 39

Hodgkin's disease
drug therapy of, June, 35

Hyperbilirubinemia
and oral contraceptives (Q&A), Dec., 22

Hypercalcemia
in cancer patients, drug therapy of, Jan., 19

Hyperkinetic syndrome
in children, recognition and treatment, Sept., 52

Hypertension
and glaucoma (Q&A), Sept., 82
in the elderly, treatment of, Feb., 81

Hyperthyroidism
propranolol for (Q&A), Feb., 52
treatment of, Oct., 91

Hypoglycemic crisis
drugs contributing to (Q&A), Apr., 104

Idoxuridine
for ocular keratitis (Q&A), Feb., 52

Impotence
treatment of (Q&A), Aug., 23

Infections
bacterial, of the eye, diagnosis and therapy, Nov., 90
in cancer patients, Dec., 42
streptococcal, management of, May, 20
viral and fungal, of the eye, diagnosis and therapy, Dec., 56

Infertility
cisclomiphene for (Q&A), June, 55
male, drugs as cause and cure, Apr., 34

Insomnia
management of, Oct., 77
methaqualone in treatment of (Q&A), Dec., 27

Intestinal "flu"
management of (Q&A), Mar., 115

Keloids
corticosteroids for (Q&A), May, 40

Lithium
teratogenic effects of (Q&A), Nov., 114
therapy of manic-depressive illness, Apr., 109

Liver damage
drug-induced, prevention and care of, Mar., 90

Lupus erythematosus
systemic, drug-induced vs. spontaneous (Q&A), May, 37

Manic-depressive illness
lithium therapy of, Apr., 109

Medication monitor
an approach to the problem of non-compliance, Sept., 69

Methaqualone
for insomnia (Q&A), Dec., 27

Minimal brain dysfunction
in children, recognition and treatment, Sept., 52

Myasthenia gravis
management of, Mar., 51

Nephrotic syndrome
management of, Nov., 54

Nerve block
in treatment of chronic pain, Jan., 33

New drugs
review of, Sept., 39

Nicotinic acid
as vasodilator (Q&A), Feb., 54

Non-compliance
a medication monitor as an approach to the problem of, Sept., 69
identifying the potential non-complier (Q&A), Feb., 55

Nose and ear
treating common disorders of, Feb., 35

Nursing mothers
diazepam in breast milk (Q&A), Jan., 72
effect on the infant of drug therapy in, May, 57

Obesity
diet and drugs in management of, Mar., 32

Obstructive airway disease
bronchodilator treatment of, Feb., 69

Ocular keratitis
idoxuridine for (Q&A), Feb., 52

Osteoporosis
postmenopausal and senile, management of, May, 45

Pain
chronic, total management of, Jan., 33

Parasites
intestinal, office management of, Aug., 39

Pediatric drug therapy
bleeding in the newborn due to maternal anticonvulsant drugs, July, 27
diazepam in breast milk (Q&A), Jan., 72
effect on the infant of drug therapy in nursing mothers, May, 57
special problems of, July, 17

Pemphigus
drug therapy for (Q&A), Feb., 51

Peritonitis
management of, Mar., 19

Phenothiazines
in pregnancy (Q&A), July, 53

Poisoning
acute, general management of, May, 71
sources of information on (Guest Editorial), May, 11

Postnasal discharge
treatment of (Q&A), June, 57

Propranolol
for anxiety (Q&A), Dec., 23
for hyperthyroidism (Q&A), Feb., 52

Psychiatric disorders
drug therapy of schizophrenia (Part I), Jan., 94
drug therapy of schizophrenia (Part II), Feb., 28
lithium therapy for manic-depressive illness, Apr., 109
management of psychiatric emergencies (Q&A), Jan., 70
psychiatric side effects of drugs, Oct., 31
treatment of depression in epileptics (Q&A), Oct., 71

Radioiodine treatment
of hyperthyroidism, Oct., 91

Raynaud's syndrome
oral contraceptives in (Q&A), Oct., 72

Retinopathy
and tranquilizers (Q&A), May, 38

Rheumatoid arthritis
scleritis in a patient with (Q&A), Dec., 23

Saccharin
and bladder cancer (Q&A), Nov., 115

Schizophrenia
drug therapy of. Part I: Nature of the disorder and the drugs used in treatment, Jan., 94
drug therapy of. Part 2: Current recommendations and future implications, Feb., 28

Scleritis
in a patient with rheumatoid arthritis (Q&A), Dec., 23

Sex of the baby
choosing the (Q&A), Mar., 119

Skin
coumadin-induced rash (Q&A), Aug., 24
streptococcal infections of, May, 20
treatment of acne, Aug., 29

Streptococcal infections
management of, May, 20

Superinfection
inhospital, Mar., 72

Tranquilizers
and retinopathy (Q&A), May, 38

Trigeminal neuralgia
analgesia for (Q&A), Sept., 82

Ulcerative colitis
management of, Oct., 42

Urinary tract infection
acute, in the elderly, management of, June, 20
chronic, in the elderly, management of, Aug., 49
in children, management of, Apr., 47
treating *Pseudomonas aeruginosa* in (Q&A), July, 51

Vasodilators
nicotinic acid (Q&A), Feb., 54
response of the coronary artery circulation to, Feb., 88

Visceral atony
and diphenylhydantoin (Q&A), Apr., 101

Vitamin
A, for acne (Q&A), Mar., 120
deficiencies, drug-induced, Apr., 23
E, in cardiovascular disease, Nov., 101
supplements for women taking oral contraceptives (Q&A), Nov., 110

Wounds
antibiotic irrigation of (Q&A), May, 40

Departments (Abstracts and Drug Interactions)

Abstracts
adenocarcinoma of the genital tract, Mar., 67
ampicillin rash, Apr., 81
anaerobic infections, clindamycin for, Nov., 87
anemia, fluoxymesterone for, July, 45
angina pectoris, adrenergic beta-receptor antagonists in, May, 92
angina pectoris, drug therapy of, Nov., 81
antipyretic drug therapy vs. sponging, Oct., 58
arrhythmias, tolamolol for, Oct., 59
asthma, disodium cromoglycate for, Feb., 107
bleeding from aspirin and fenoprofen, May, 100
bleeding from aspirin and sodium

salicylate, May, 100
cancer, bleomycin for, Sept., 111
cerebrovascular disease, antihypertensive therapy in, Nov., 86
constipation, cholic acid for, Sept., 107
constipation in pregnant and breast-feeding women, laxatives for, May, 102
convulsions, drug-induced, incidence of, Feb., 114
coronary heart disease and dietary cholesterol, Jan., 89
deep-vein thrombosis and aspirin, Feb., 102
depression due to oral contraceptives, pyridoxine for, Nov., 85
depression, treatment of, Aug., 61
diabetes, continued oral therapy for, Mar., 68
diabetic ketoacidosis, management of, Sept., 103
digoxin for children, June, 63
digoxin preparations, absorption of, Feb., 113
drug overdosage, naloxone for, May, 103
endocarditis, heroin-associated, Oct., 59
ergot alkaloid vs. papaverine for the aged, May, 98
extrapyramidal symptoms due to drugs, Aug., 58
folate deficiency and neurologic disease, Nov., 87
gallstones, chenodeoxycholic acid for dissolution of, Mar., 66
gallstones, effect of diet on, Mar., 66
hand infections, pyogenic, treatment of, Apr., 70
heart block, drug therapy for, Oct., 52
hepatitis, chronic, prednisone and azathioprine for, Oct., 53
hepatitis, transfusion, prevention of, Oct., 53
herpes encephalitis, idoxuridine for, Apr., 74
hirsutism, treatment of, May, 102
Hodgkin's disease, maintenance therapy for, Oct., 63
Hodgkin's disease, treatment of, Apr., 69
hypercholesterolemia, familial, diagnosis of, Apr., 62
hyperlipoproteinemia, clofibrate for, Jan., 91
hyperlipoproteinemia, type II, cholestyramine for, Nov., 84
hypertension, refractory, minoxidil for, Nov., 83
hypoglycemia, diazoxide for, Mar., 68
idiopathic facial paralysis (Bell's palsy), prednisone for, Apr., 74
irritable-bowel syndrome, treatment of, May, 94
leukemia, acute myelogenous, treatment of, Apr., 68
leukemia, CNS, prophylactic therapy for, Nov., 85
leukemia, myelocytic, immunotherapy in, Sept., 111
liquid antacids, evaluation of, July, 43
lupus erythematosus, systemic, after azathioprine withdrawal, June, 66
lymphomas, combined drug therapy of, Apr., 67
malignant melanoma, BCG immunotherapy for, Oct., 64
meningitis, during cephalothin therapy, June, 66
meningitis, fungal, reservoir therapy for, Mar., 71
migraine headaches, therapy of, Feb., 114
multiple myeloma, treatment of, Dec., 88
myocardial infarction and coffee, Mar., 65
myocardial infarction, anticoagulants after, June, 64
myocardial infarction, anticoagulants for, Dec., 95
myocardial infarction, nitroprusside in, Feb., 113
obesity, fenfluramine for, June, 70
parkinsonism, amantadine for, Feb., 110 .
pentazocine abuse, Sept., 105
pharyngitis, streptococcal, cephalexin for, Jan., 92
phenytoin teratogenicity, June, 68
pneumonia, ampicillin and prednisolone for, Apr., 61
prednisone, adverse reactions to, Feb., 105
pregnancy, lithium use during, Aug., 59
psoriasis, combination chemotherapy for, Sept., 104
psoriasis, retinoic acid for, Sept., 104
pulmonary sarcoidosis, steroid therapy for, Oct., 63
renal failure, acute, treatment of, June, 67
renal failure, isoniazid dosage in, Dec., 93
respiratory distress syndrome, prevention of, Feb., 111
rheumatoid arthritis, cyclophosphamide in, Dec., 96
rheumatoid arthritis, penicillamine for, Apr., 75
schizophrenia, fluphenazine for, July, 46
shock, steroids in treatment of, Dec., 96
streptococcal infections, Group B, in infants, July, 45
tuberculosis, chemotherapy regimens for, Aug., 63
tuberculosis, initial treatment of, Dec., 93
tuberculosis, short-term therapy of, Dec., 90
typhoid fever, drug therapy for, May, 94
ulcerative colitis, azathioprine in, Feb., 104
urinary tract infection, oral penicillin G for, Mar., 69
urinary tract infection, sulfametopyrazine for, May, 107
urinary tract infection, treatment of, Apr., 82
venous thrombosis, heparin for prevention of, May, 91
ventricular arrhythmias, procaine amide for, Apr., 79
water intoxication after cyclophosphamide, Oct., 58
wound infection, postoperative, prevention of, Apr., 62

Drug Interactions

alcoholism—testosterone excretion, Nov., 27
antibiotics—iron, June, 74
antibiotics—serum fibrinogen levels, Dec., 70

anticoagulants and antihypertensives—other drugs, Feb., 61
anticonvulsants—calcium and folic acid metabolism, Nov., 27
antidepressant agents—sympathomimetic amines, July, 72
antihypertensives and anticoagulants—other drugs, Feb., 61
aspirin—spironolactone, Oct., 26
benzodiazepines—smoking, Aug., 13
cephalexin—cephaloridine, Sept., 75
cephaloridine—cephalexin, Sept., 75
chemotherapy—Burkitt's lymphoma, Oct., 27
chloramphenicol—diphenylhydantoin, Apr., 57
clonidine—desipramine, July, 72
contraceptives—lactation, May, 110
desipramine—clonidine, July, 72
dexamethasone—diphenylhydantoin, Feb., 60
digoxin—propantheline metoclopromide, Sept., 79
diphenylhydantoin—chloramphenicol, Apr., 57
diphenylhydantoin—dexamethasone, Feb., 60
diphenylhydantoin—serum folate, Nov., 26
disulfiram—sodium warfarin, Sept., 75
drugs—carbohydrate absorption, June, 74
drugs—laboratory tests, May, 110
environmental chemicals—drugs, Feb., 61
estrogen—imipramine, Apr., 57
estrogen—thyroxine excretion, May, 110
ethanol—folic acid, Feb., 60
folic acid—ethanol, Feb., 60
guanethidine—other drugs, Dec., 71
hypnotics—drug metabolism, Mar., 124
imipramine—estrogen, Apr., 57
iron—antibiotics, June, 74
levodopa—methyldopa, Nov., 27
lithium—thyroid function, Oct., 26
MAO inhibitors—tricyclic antidepressants, Oct., 27
maternal smoking—child development, May, 109
methyldopa—levodopa, Nov., 27
microdose progestogens—ovaries, Dec., 70
neomycin—estrogen excretion, June, 74
non-prescription drugs—prescription drugs, Feb., 60
oral anticoagulants—vitamin K, Nov., 26
oral contraceptives—serum estradiol, Mar., 124
phenobarbital—folate metabolism, Aug., 13
phenoxybenzamine—propranolol, Feb., 61
prescription drugs—non-prescription drugs, Feb., 60
propantheline metoclopromide—digoxin, Sept., 79
propranolol—digitalis-induced ECG changes, Nov., 26
propranolol—phenoxybenzamine, Feb., 61
smoking—benzodiazepines, Aug., 13
sodium warfarin—disulfiram, Sept., 75
spironolactone—aspirin, Oct., 26
sympathomimetic amines—antidepressant agents, July, 72
tricyclic antidepressants—MAO inhibitors, Oct., 27
vitamin K—oral anticoagulants, Nov., 26
warfarin—thyrotoxicosis, Apr., 57
